### Read Across America Day at Iling!...

***Iling Middle School celebrated Read Across America Day by hosting an assortment of local education, judicial, and political figures who read to various classes throughout the day.***

Featured readers included Mayor Jay Moran, Judge Leo Diana, and Judge Rick Dyer, former mayor Steve Cassano; from Manchester Board of Education Central Office: School Superintendent Matt Geary, Asst. Superintendent Amy Radikas, and Vonetta Romeo-Rivers; and Iling Middle School Principal Beth Hayes, Counselor Felicina Petito, and library paraeducator Jennifer Zappulla. Read Across America Day is held in memory of Dr. Suess, Theodore Suess Geisel, and many guests read their favorite Dr. Suess books including "Yertle the Turtle", and "The Cat in the Hat" in Spanish, along with Shel Silverstein stories and other favorites. Visitors read to most of the Language Arts classes in the school as well as some other classes too. Many thanks to Iling teacher Mike Pohl for organizing this event.
